A WORD ABOUT DAVID WILSON

A Toronto native, David Wilson is the choreographer of many of the world's best loved programmes. He has worked with Canadian Champions, Josee Chouinard, Jeff Buttle, Joannie Rochette, Cynthia Phaneuf, Marie-France Dubreuil and Patrice Lauzon as well as a host of international competitors including Sasha Cohen, Nobunari Oda and Miki Ando.

He is incredibly talented and exudes great personal warmth. Although he spends much of his time working with elite-level skaters, David says he loves working with children because he finds them so inspiring. 'They just absorb everything.'

Don't miss this opportunity to enjoy his enthusiasm and creativity.
