Scarboro Figure Skating Club

Presents:

'Turning Energy Into Art'

Tuesday, March 11, 2008

A Workshop devoted to the joy of skating

Gary Beacom has gained international acclaim as one of the most innovative and entertaining professional ice skaters ever. He has appeared in the world's largest and most prestigious tours including Champions on Ice, Stars on Ice, Boitano/Witt Skating and the Torvill and Dean World Tour. Being on the cutting edge of exploring the artistic potential of the sport of figure skating Gary has established himself as one of the most sought after talents by all show producers.

Skaters and coaches from all clubs welcome
