

July 2016

Hello Scarborough Figure Skating Club Members

It is hard to believe the summer is almost over, but the club is ready to welcome you back for another fantastic season of skating.

The 2016-2017 Fall/Winter Canskate registration information is enclosed.

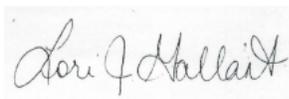

This will be an exciting year for the Club and for the skaters in the learn to skate program. The Fall/Winter Canskate Session begins on September 16th and the last day of regular classes is April 16th. This is a shorter season than last year due to some planned renovations in the building. But don't worry - we have "pro-rated" the prices to reflect the shorter season. In addition, we have been able to slightly reduce the overall cost of the Canskate program! Also, the Board of Directors is working hard with the City of Toronto to ensure we are able to host our bi-annual Ice Show at the end of April or early May. This event is open to all of our club skaters- especially the skaters in the Canskate program. If you skate in the club you are welcome to join the Ice Show. It is an exciting event with lights and music and costumes – and of course some great skating! There is a separate registration form and fee for this event. All the information will be available to you shortly after the season begins – so plan for it now – it is LOTS OF FUN!

Summer Office Hours (July 5 to August 24th) are Monday and Wednesday from noon to 8pm; Tuesday and Thursday from noon to 4pm. The office will reopen on Tuesday, September 6th for the fall season. You can register in person, by mail, or by scanning and emailing the registration form to the club! The registration form can be found on our website www.sfsc.on.ca

On behalf of the Board of Directors, and the Coaching Staff, I wish you and your skaters another terrific season.

Sincerely,

SCARBORO FIGURE SKATING CLUB
