About Ice Dance Elite

Ice Dance Elite is the competitive ice dance program offered by the Scarboro Figure Skating Club. All skaters are required to take part in all aspects of the program, including dryland training, and to participate fully in any fund raising activities. Skaters are expected to be punctual, and treat all other members, coaching staff, and dryland personnel with the highest standards of respect. Rudeness and disrespectful behaviour will not be tolerated. The coaching staff is available to answer any questions you may have about the program, but please contact us when we are not teaching. It is best to set up an appointment so that we can deal with your questions in a thoughtful manner without being rushed.
